¹ Blessing way (Diné Bizaad) is an English word for expectant mother's ceremony in Navajo. It means

Mother is all in All. May she Be Blessed for Ever!

She should be honored, venerated and respected for what She is and for what she is doing.

We honor all the elements of the nature we call mother: Mother Earth, Grandmother Moon, Loving mother Water, etc.

Thank you, Creator Motherly God, for having given us Mothers.

Thank you, Jesus for your Mother Mary who inspires us, takes care of us and intercedes for us.

Thank you, Holy Spirit, for the gift of the Church our beloved Spiritual Mother on Earth.

Let all human beings and all creatures be embedded by motherhood for the glory of God and for the liberation of humanity.

Long Live Mothers, now and forever! Amen!
