

## **GOD-POOR + POOR-GOD**

During a “Cosmic Walk” I was in a “Deep Contemplation” thinking about this One Word with these two realities, may be one Reality-Being, who knows: God – Poor.

They are “powerful” yet “vulnerable” words

They are interrelated and interconnected

Yes, they kiss each other well.

I “Be-live” and made this Credo.

I “Be-live” in God of the Poor & Poor of God

God has special love for the Poor

Poor has deep yet simple love for God;

Poor make God alive

God makes poor Hopeful;

God prefers the Poor

Poor “prefigures” God;

God-Poor became Word

Poor-God became Fish (New Life).

God-Poor is Incarnation

Poor-God is Resurrection.

God-Poor is descending

Poor God is Ascending

But no doubt, both are dancing in the eternal life Circle of Being.

Poor-God is Truthful

God-Poor is Beautiful.

God-Poor is a motivation for many to make life-long commitments.

Poor-God is discovering process for a few.

God takes the side of the Poor

Poor take the side of God.  
God is “Interdependent” of Poor  
Poor is “Interwoven” of God.

Poor means: widows, orphans, women, underprivileged, voiceless,  
denial of justice, cosmic cry, 2SLGBTQIA+, Land, migrants, refugees,  
indigenous & goes on.

God means: Loving, Merciful, Kind, Faithful, Compassionate, Uplifting,  
Harmony, Balance, New Life and goes on.

God means what Poor means;  
Poor means what God means.

We become “God” by being poor  
God becomes poor by being “Us”  
God of the Poor on the Cross  
makes sense for the God-Poor.

Body is Poor  
Soul is God  
Poor- Soul is God  
God-Body is Poor  
Looks like a word play & a puzzle game  
That is “awe” some contemplation.

Dark thought, Shame, Guilt, Fear, Anger, Sickness – Poor-God  
Joy, Peace, Surprise, Health- God-Poor.

I “Be-Live” We are both: Both are “One”  
If we look at the “Roots & Inside”  
God became Poor (Human & Creation)

So that Poor can have Life in Full (God)  
For the Glory of God-Poor.

In a house of poor-God we feel  
welcomed at any time.

In a house of God-poor, not all the time because there is racism,  
discrimination, white and ethnical supremacy, casteism, gender & sex  
inequality; pure and impure disparity, haves and have nots division,  
separation & goes on.

Because we have lost the sense of Poor-God.

God-Poor & Poor-God is a Mystery

It is a Sacramentum, Core Belief,

Core Value, Core Integrity.

Repair it and Reconcile it;

Taste it, live it, express it and celebrate it;

Hold it Holy & Whole with tenderness and compassion until the  
Continuum Circle of Life of Christ-Being.
